Subject: EMSC COVID-19 Update, March 24, 2020

At the Erin Mills Soccer Club, we recognize the role we play in the community in uniting all through sport. We are only able to do this through the support, hard work and dedication of our staff, our coaches, our managers, all our volunteers, our board and our members.

In the wake COVID-19 and recent announcements made by the Government of Ontario and our Governing Body, Ontario Soccer, the **EMSC office will remain closed until further notice and all scheduled events and activities for the month of April have been cancelled.** Registrations and match official training will continue, as scheduled, through online platforms. We will continue to focus on the well-being of our employees and our customers; this is paramount to us.

We recognize the impact these changes have on our customers, and we assure you we are available via email to continue our communication with you. At this time of uncertainty and change, we are working diligently to ensure we are able to resume activities when able and provide you with the best experience. Eagles symbolize vision, wisdom and strength, and together, we will continue to Soar.

Once we are back on the pitch, we will be able to accurately assess the impact on programming and will directly communicate the result of this to our members. Additionally, when our office resumes regular business activities, we will be able to review and process any fee adjustments and/or credits.

We appreciate your support and understanding during this time of fluidity and isolation. While our office is not presently open, we are here for you, we care about you, we are a team, and we will prevail through this.
