

## EMSC PowerUP – Payment Profile

Club members can maintain secure payment profiles within the [EMSC PowerUp MemberZone](#) accounts. This allows you the easier checkout, and allows clubs to offer automatic (future) credit card payment plans.

### Member's View

The Member Payment Profile is created the first time when you make a payment online. The payment profile is created and securely stored with Bambora, and remains available to the member for re-use in the future, and for the club to manage automatic payments.

### Access

You can access and edit your Payment Profile by navigating to **Profile >> Payment Profile**.

If you have not yet made a payment in the system, you can create your payment profile. Otherwise, a summary of the current payment card will display.

### *No payment Profile*

The screenshot displays the EMSC PowerUP MemberZone interface. At the top, the logo "POWERUP" is visible on the left, and the user name "Joe Savoie" with a dropdown arrow and a help icon are on the right. Below the header, the club name "Demoville Soccer Club" and "MEMBER ZONE" are shown. A weather widget for Ottawa indicates a temperature of 23°C and "Mainly Sunny 30°/19°". A navigation bar shows the user's role as "Convenor" and a "Select a Role" dropdown. A sidebar menu on the left includes options like "Home", "Today's Events", "Family Calendar", "Volunteer Now!", "Receipts", "Register Now" (highlighted in red), "Profile" (selected), "Schedules", and "Standings". The main content area is titled "Payment Profile" and contains a form with the following fields: "Credit Card Number" (placeholder: Credit Card Number), "Credit Card CVV#" (placeholder: CVV), "Expiry Date (MM/YY)" (placeholder: MM / YY), and "Name on Credit Card" (placeholder: Name on Credit Card). At the bottom of the form area, there are "Back" and "Save" buttons.
